

Mile High: A Hotwife Fantasy

The friendly skies are about to get steamy and naughty for one sexy wife! Dan has always enjoyed showing off his gorgeous wife Nicole. Whether its a barely-there outfit or a skimpy bikini, seeing other men drooling over her drives him wild! Which has made their vacation an exercise in sexually charged torture. His buddy Craig is along for the ride after a nasty breakup, and hes only had eyes for Nicole the entire week. Nothing happened aside from some lingering glances, but Dan desperately wants more. And that might just happen after an upgrade to a deserted first class cabin and an overnight flight back to the mainland leaves the three friends with plenty of time to explore. Suddenly Dan and Nicole find their fantasy on the verge of becoming very real as they take full advantage of the spacious first class accommodations. Its time for a budding hotwife to fly the friendly skies and join the mile high club with the two men she loves most in the world!
