

Wives Who Stray: Swingers Next Door!

Walt and Betty Harmon are a typical young, twenty-eight year old couple. He's a mid-manager at a department store; she's the office manager at a tire manufacturing plant. They rent a duplex and live a normal, if somewhat unexciting life together, saving up for kids and house of their own. Enter Cyril and Aubrey St. Germaine, the new owners of the duplex, who are temporarily living on the other side, just until their fabulous new mansion across town is completed. The St. Germaines are very wealthy, and just a few years older than Walt and Betty. They are also unabashed swingers, and they want to play with their new neighbors. Seducing Walt and Betty separately into their world of threesomes and trading sex partners casually, the two libertines think it would be fun to get together with the Harmons as a foursome. Will this signal the end of Walt and Betty's happy marriage or will it prove to be the beginning of a new phase of adventure and excitement for the young couple? Read *The Swingers Next Door* and find out! Authors warning: If you are uncomfortable with explicit descriptions of sexual couplings between men and women, and graphic encounters between two women, please do not purchase this book. It contains many such depictions, in addition to detailed accounts of anal sex, double penetration etc.
