

## Switching Hour: Magic and Mayhem Book One

Released from the magic pokey and paroled with limited power is enough to make any witch grumpy. However, if you throw in a recently resurrected cat, a lime-green Kia and a sexy egotistical werewolf, its enough to make a gal fly off the edge. Not to mention a mission...with no freaking directions. So here I sit in Asscrack, West Virginia trying to figure out how to complete my mysterious mission before All Hallows Eve when Ill get turned into a mortal. The animals in the area are convinced Im the Shifter Whisperer (whatever the hell that is) and the hotter-than-asphalt-in-August werewolf thinks Im his mate. Now apparently Im slated to save a bunch of hairy freaks of nature? If they think Im the right witch for the job, theyve swallowed some bad brew.
