

Tag Chaser (Chasers Book 1)

Paisley Bronson is a 27 year old successful advertising professional, but the most exciting part of her life happens outside of work. Claiming the life of a Tag Chaser toward the end of her college career has taught her one thing: Never get too close. She has enjoyed her dating lifestyle, but when her best friend makes a bet that she won't ever be able to date a normal guy, her competitive nature takes control and she vows to change the game. When Paisley meets the incredibly handsome and practically perfect Corbin Ray, she begins to think keeping her word might be easier than she thought. But when an accidental discovery reveals that Corbin is in the Army, she knows she must run the other way and never look back. Although it kills her, she aims to move on and look for a new prospect. There's just one small problem. Paisley's been assigned a new client at work, and his name is Corbin Ray.

Will Paisley and Corbin give in to the chemistry between them, or will their past and present complications keep them apart? Fall in love with this fun and irresistibly naughty game of cat and mouse.
