

## BENNINGTON P.I. BONITA: A hardboiled detective thriller...

DEAD MEN TELL NO TRUTHS. It seemed to me to be pretty close to perfect in the writing style. Takes me back to Mike Hammer, and the stories Mickey wrote. Take a trip down yesterday in today's world. Nothing I didn't like. -Nick Minford

After decades working within the murky political underbelly of the nation's capital, hard living D.C. politico Frank Bennington finds himself out of a job, recovering from a heart attack, and wondering what the hell he's supposed to do next. Then a phone call from a long ago acquaintance gives Frank an opportunity to use his particular brand of talents and insights to reveal a government conspiracy with global implications. It is a scandal involving powerful and influential figures who wish for the truth to remain hidden, and the lie to continue to be perpetrated, for it is a lie worth TRILLIONS of dollars to those who control its message. In Frank Bennington's new world of private investigations, dead men tell no truths, and that is exactly what his enemies hope to make of him.

**BENNINGTON P.I. BONITA** is the much anticipated mystery and suspense follow-up to D.W. Ulsterman's best seller, **The Second Oldest Profession**. READERS LOVE THE MYSTERY AND SUSPENSE DETECTIVE MYSTERIES, BENNINGTON P.I. A super take me back hardboiled noir detective style that was so much fun! A good mystery detective novel is hard to find these days. Bennington P.I. delivers... From the mystery noir style cover to the hardboiled detective style dialogue of Frank Bennington this is a fun read for those of you like me who appreciate this genre... Some writers call their stories hardboiled detective noir. D.W. Ulsterman delivers REAL detective noir but in a modern setting. That's not easy to do. I really enjoyed it... A great old fashioned hardboiled detective noir mystery...??? AN AMAZON HARDBOILED DETECTIVE BESTSELLER! Frank Bennington is pure

hardboiled mystery noir genius. Kudos to the author who appears intent on trying to bring this genre back to respectability...This was my first mystery that had the hardboiled detective tag applied to it. After a slow start I really grew to like it and look forward to reading more of this hardboiled series...Picked up the Second Oldest Profession for free. That was pretty good, but Bonita is an absolute mystery noir gem! The Frank Bennington hardboiled detective dialogue is so fun to read and there is a lot of wisdom to be found in his words as well. Just a perfect little noir detective thriller. Frank is hardboiled but not over done and the plot had me looking up some things on the computer when I was done reading. The JFK story was new to me and very fascinating! An interesting noir styled story with quite a bit of factual data mixed in that more attentive readers will appreciate...A hardboiled mystery noir set in modern times? Impossible! Actually DW Ulsterman pulls it off rather well...Bennington P.I. is quality noir detective fiction at its best. Highly recommend the entire series of stories...After a secondary part in The Second Oldest Profession, DW Ulsterman moves Frank Bennington front and center in this noir detective mystery and it is a joy to read for any fan of the hardboiled detective stories genre. Well worth the price of admission...Best noir-styled stories available today. Better than Mike Hammer. There, I said it....**SCROLL UP AND BUY OR BORROW YOUR COPY OF THIS HARDBOILED DETECTIVE STORIES BESTSELLER TODAY!**
