

Lusty Encounter

Love, loss, lust, Christine, a college girl, had experienced it all. Being a plus sized woman made her even more critical of herself. The men that she usually meets are shallow and self absorbed, with no genuine interest in having a relationship with her. However, one night changes everything. A date with Lee, her music star idol, turns into a one night stand, and leaves Christine surprised and wanting more. She wants to turn one night of lust into a true relationship. But will Lee prove to be the man of her dreams?
