

## Tyler & Stella (Tattoo Thief Book 2)

Bad boys cant break your heart. They dont call, cuddle or send flowers. And thats fine with music journalist Stella Ramsey no regrets. She offers Tattoo Thiefs bad-boy bassist anything in exchange for behind-the-scenes access. But when Tylers explosive secret thrusts Stella into the spotlight, she must choose between selling the story and exposing the truth about herself. TYLER & STELLA is a full-length novel (no cliffhanger) with deliciously steamy scenes intended for mature readers.
