

Teach Me a Lesson

Do what you have to do, Principal. I deserve it. High school guidance counselor by day, sex therapist by night, Charlotte Moore's passion is people—whether helping students with the realities of life or helping their parents with the fantasies. Enter Principal Lance Hutton, the perfect subject for Charlotte's method in recharging the sex drive and its going to take some discipline. Considering this hot older man is her boss, it makes sense that he doles out the punishment. Besides, Charlotte's begging for it. But when Charlotte's after-school extracurricular activities are made public, it threatens her job, her reputation, and the career of the man she's falling head over heels in love with. Now, if this town wants a scandal, Charlotte and Lance are ready to give them one and a lesson in bad behavior they'll never forget.
