

Tears Of The Wounded

Can their love survive a hostile teenager and a madman bent on revenge? After a violent incident in her past, Abby Bishop wants nothing more than to live in peace. She wants it so badly, she ends a relationship with the man she loves to avoid conflict with his resentful fourteen-year-old daughter. Wil Garrett gave up his career as a bomb squad officer for his daughter, who needed him safe and alive, after losing her mother to suicide. But when evil invades their small coastal town, Wil is plunged back into the violent past he left behind. Now, he must break the promise he made to the two people he loves most in the world...in order to save their lives.
