

10 Days in Paradise

When she's forced to practice self-defense against a lecherous billionaire, Celeste's boss forces her to go on vacation. Except it feels more like exile. But to save her career, she has no choice. Kanoe Anakaleas' first impression of Celeste is that she's another pale, uppity tourist. When they meet, both are blindsided by a sea of emotions, and an erupting volcano of sexual attraction. But Celeste only has ten days. And everyone knows vacation flings can't last. Or can they?
