

Chase Me: A Broke and Beautiful Novel

Winner of the RT Book Reviews March Seal of Excellence Award College drop-out Roxy Cumberland moved to New York with dreams of becoming an actress, but her dwindling bank account is quickly putting the kibosh on that fantasy. To make some quick cash, she signs up to perform singing telegrams. Her first customer is a gorgeous, cocky Manhattan trust-funder if she ever laid eyes on one. And what could be more humiliating than singing an ode to his junk, courtesy of his last one night stand? Maybe the fact that shes dressed in a giant pink bunny costume After a night out to celebrate winning his last case, lawyer Louis McNally the Second isnt prepared for the pounding in his head or the rabbit serenading him from the front door. But the sassy wit and sexy voice of the girl behind the mask intrigue him, and one look at her stunning face followed by a mind-blowing kiss against his doorjamb leaves Louis wanting more. Roxy doesnt need a spoiled rich boy whos had everything in life handed to him on a Tiffany platter. But theres more to Louis than his sexy surface and hes determined to make Roxy see it...even if it means chasing her all over NYC.
