

Texas Wishes: The Complete Series

Knight turns up the heat under the Texas sun with three cowboys ready to rope your heart and the feisty ladies who wrangle them. Enjoy a boot-stomping good time with these captivating couples: **What a Texas Girl Wants**: The last thing Jackson Taylor wants in his life is a down-to-earth girl like Kathleen Witte, so why did he just wake up next to her on a Mexican beach with a ring on his finger? Once they're back in Texas though, this all-business marriage might just turn into an all-consuming love. **What a Texas Girl Needs**: Matias Barnes knows all about society women like Vanessa Witte. It's part of the reason he left his wealthy family behind and took a job on a ranch. But while Mat knows she's so not right for him, can he resist her charms long enough to really let her go? **What a Texas Girl Dreams**: They are opposites in so many ways, but the more veterinarian Trickett Samuels gets to know footloose and fancy free Monica Witte, the more he wonders if he can convince this Texas girl that having roots will only help her soar higher. **Sensuality Level: Sensual**
