

Young Love Lost: A Coastal Carolina Romantic Mystery, Book 1

Where does innocence go? While vacationing on the beach at Emerald Isle, North Carolina, high school student David Jennings meets an intriguing girl. Mary Roberts ignites feelings that stay with him even after they both return to their homes. Summer after summer they reunite, building on the love that started to bloom from the first day. Not only does David discover romance, but he also learns what family can mean. The loving Roberts family is in stark contrast to the Jenningses. David is the only child of Roy, an ex-marine and rigid cop, and secretive Sarah. As the young couple explores their future, the family secrets unravel - until tragic events manage to both bring together and divide the two families. Young Love Lost is a tale of romance and suspense that will keep you guessing until the end.
