

Some Like It Scottish: A Kilts and Quilts Novel

In the delightful new Kilts and Quilts novel by the author of *To Scotland with Love* and *Meet Me in Scotland*, the Real Men of Scotland are waiting. And its a match made in Gandiegow Kit Woodhouses matchmaking business is such a success, shes expanding to the Highlands of Scotland where the hot, prosperous, and kilted are anxious to connect. Now, looking to fill her stable with eligible bachelors, Kits arrived in Gandiegow to recruit potential Real Men of Scotland. Its not until she meets her tour guide that she discovers just how real they can be. With his sexy grin, jeans, and black wellies, Ramsay Armstrong is an unpolished hulk of a Scottish fisherman and a skeptic when it comes to romance. Not exactly a man of pairing attributes when talking marriageable matches, but he does make Kits heart beat a little faster. Maybe its the scent of the sea in his hair. Maybe its the challenge. Maybe its the thrill of the unexpected. Then again, maybe its love.
