

## Surviving Zevus Mar: The Aledan Series Book 3

Nearing the end of their mission Searching is captured by a Tregan invaders of Zevus Mar when it locks into orbit. The takeover is violent and bloody. Hankura must surrender or watch them kill Chelle and their ordeal is only beginning. The women become sex slaves, raped repeatedly and some tortured and murdered. The men are just slaves. With no rescue in sight, their only way out it to take matters into their own hands. The question is: can they live with what they were forced to do to survive? Is love enough for them to find the courage to go on with their lives?
