

The Reckless Secret, Book Two (An Alpha Billionaire In love BBW Romance)

With his player past, will she ever be able to trust him? Maggie Emerson has had a crush on her brother's friend Declan for years. She knows he's not into girls like her - he's always surrounded by skinny model types. With her curvy body and a career choice that never made her wealthy family happy, Maggie is sure Declan will never fall for her. Except now that her job is in jeopardy, she has no one else to turn to... Declan Archibald knows he wants no one else but Maggie. He wasn't ready for her before, but now he can't get her out of his mind. He tried wooing her a few months ago, and it didn't work - Maggie just thought he was using her. So how can he convince her that his feelings for her are real? When he discovers she's in trouble, Declan jumps to help. Will her crisis bring them closer together or push them apart? Saving Maggie's job gets complicated, drawing dangerous secrets to the surface that threaten their already shaky bond. Maggie and Declan have plenty of chemistry, but can their growing love withstand so many obstacles? **This hot and steamy alpha billionaire romance is perfect for fans of Hannah Ford, Lila Monroe, Cassie Cross and J.S. Scott**

The Reckless Secret is a suspenseful romance novel released in three parts, exclusively for Amazon and Kindle Unlimited readers. All three parts are now available! EXCERPT: His eyes twinkled, gazing at her as if she was a vision. I've missed this version of you, he said softly, pulling her close again. Me too, she admitted. This was the first time she'd felt like her old self in such a long time that she wasn't even quite sure if she could trust it, half afraid it would all rip away from her in an instant. But even those foreboding thoughts weren't enough to dent her spirits and she let out another breathless laugh, floating high on giddiness while he looked at her with sparkling eyes. I'm gonna head home to get ready. Pick me up in an hour?

Hmm, just one thing first he said, then kissed her soundly, backed her up until she hit the wall. The breath knocked out of her, and her mind spun as he wasted no time shoving her legs apart with his thigh. She could feel the crackle in the air, the moment it turned from fervent kissing to the start of something, and nearly whimpered when he broke the kiss to press his fingers into her mouth...
