Yoga. Proper breathing. Rhythmic breathing. Holistic healing. Homeopathy. Prana. Kundalini. The Amazing Secrets of the Yogi is your gateway to a wonderful new world that has been hidden from you for far too long. With the techniques taught in this book - such as proper breathing and breath control, using the Law of Attraction to maximum effect, and controlling thoughts - you will be able for the first time to understand and take charge of your life in a way that before this would have been unbelievable. You will find that the techniques and methods outlined in this volume contain a priceless message that will bring solace to your mental wounds in times of distress. You will come to feel that you have realized a lifelong dream and will often regret that this information did not come to you much earlier. What is best of all, you will find nothing in these lessons that will in any way conflict with any religious principles that you may hold. On the other hand, your spiritual convictions will be strengthened because you will find that Truth is the same in all lands and in all times regardless of the name it may take or the manner of its presentation.
