[Siren Menage Everlasting: Erotic Menage a Quatre Romance, M/F/M/M, HEA] Gia Marie Gisellis boyfriend wanted to share her with his business partner, and she refused. She leaves New York the moment she gets a chance and heads to Houston, Texas. With the help of her cousin Teddy, a detective there, she finds a new home and tries to put her past behind her. In Texas she meets Garrett, Wes, and Gunny McCallister. Her world and impression of menage relationships are turned upside down. They want her, and as they try to convince her that this relationship is serious, some jerk from work attempts to assault her, making all her fears of men resurface. When they finally get through that incident, Gias past reemerges. Can the McCallisters keep her safe and convince her that true love and compassion dont come in the form of fists, control, and fear? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
