

The Amish Bride of Ice Mountain

An authenticity that showcases her own spirituality. --Beth Wiseman
The Amish Bride
Like most Mountain Amish girls, Mary King has always dreamed of her wedding day. But she never imagined that a sudden, irresistible kiss would result in marriage to the handsome Englisher professor studying her unique community. Or that doing the truly honorable thing means keeping their relationship chaste so both she and Dr. Jude Lyons can someday go their separate ways. But when Mary accompanies her husband-in-name-only to Atlanta to meet his wealthy, overbearing family, she's tempted more than ever by Jude's kindness, humor--and vulnerability. And when a wrenching misunderstanding causes her to return heartbroken to her remote Appalachian home, she's certain she's lost the real love they have found. . .and the shared future she's come to want so much. But a crisis of more than faith will work surprising miracles--and show Mary that love is strong enough to make the impossible come true. Long creates storylines that captivate her readers. . . --RT Book Reviews
