

Bulls Island

Dottie Franks books are sexy and hilarious. She has staked out the lowcountry of South Carolina as her personal literary property. Pat Conroy, author of *The Prince of Tides* Bulls Island is a supremely satisfying tale of honor, chance, and star-crossed love, infused with Southern wit, grace, and charm, from the phenomenal New York Times bestseller Dorothea Benton Frank. The much beloved author of *Plantation*, *Return to Sullivans Island*, *Land of Mango Sunsets*, and a host of other winning novels of the North Carolina lowcountry, Frank stands tall alongside Anne Rivers Siddons, Sue Monk Kidd, Rebecca Wells and the other masters of contemporary southern womens fiction. Devoted Dottie Frank fans and newcomers alike will adore this sun-drenched story of the uncomfortable homecoming of a former Bulls Islander who plans to transform the unspoiled paradise for profit and her inevitable reencounter with the scion of a wealthy family whom she once was scheduled to marry until cruel innuendo destroyed their engagement.
