

The Bad Boy Arrangement

He doesnt care what I say, hes marrying me
It was supposed to be a hookup. That was all. But when you accidentally sleep with someone like Abell Birch, notorious billionaire player... Walking away isnt easy. Hes perfectly gorgeous, perfectly filthy. Tattoos cover every inch of his muscles, his eyes can burn right through you, and his lips know just where to kiss. A real complete package. The exact kind of manwhore I hate. So when my parents pulled out that marriage contract, I thought they were joking. Marry him? I dont care how loud he made me beg that one night we spent together. I never want to see his sinful smile again. But if I dont marry him, Ill lose everything. Its pure blackmail. Either way, he doesnt care what I want. Because he plans to put that ring on my finger... To make me belong to him... No matter what I say. Standalone novel with a HEA, no cliffhangers here! Also contains a copy of the bestselling novel, Last of the Bad Boys, for a LIMITED TIME!
