

The Beach Alibi: Smithson Group #4

Meet the members of the Smithson Group five alpha males whose best work is done undercover. Unimaginably skilled, they're the spies you want on your side of the bed. Kelly John Beach takes the covert nature of his work to heart. He is never seen. He is never heard. Until he is. Somehow, the man who is the ultimate spy was caught on video surveillance inside a Spectra IT office. Now the SG-5 team has to replace the original capture with one proving K.J. was elsewhere at the time. Enter Emma Webster, Hank Smithson's personal assistant. Posing as Kelly John's lover, Emma will accompany him to several strategic locations with SG-5 cameras positioned to record their encounters: in elevators and restaurants and strictly off-limits back hallways. Intimate encounters. Erotic encounters. Getting his hands on the very woman who's starred in his dirtiest fantasies would make this the best assignment ever for K.J. if not for the fact that it puts Emma in the crosshairs of Spectra IT. And when the criminal organization realizes they can get to K.J. through Emma, he's left to face how far hell he goes to protect the woman he loves.
