

The Bears Virgin Mate (Honeypot Darlings Book 2)

Carter Blair has seen his share of bad days, but nothing compares to the day he notified that his ex-girlfriend has died and left him a son: his son. When Cherise left for graduate school after college, she promised to keep in touch with Carter, but she didn't. He thought she'd gotten bored and moved on. He couldn't have been more wrong. Now he's got a 5-year-old son he knows nothing about, a ranch he's trying to promote, and his parents about to return from their retirement vacation. He doesn't know what he'd do without his best friend, Savannah, to keep him grounded. But Savannah is hiding something and Carter doesn't know what it is. Will he be able to pry the truth from her before it's too late?
