

Best Laid Plans (Brothers of the Bayou) (Volume 1)

Beaux Chauvin loved his land of the bayous. He had no intentions of leaving his Southern Louisiana roots. He was an honorable, hard working man not given to impulses, with a serious avoidance of females. Until meeting Lacy Landon. Lacy Landon was finally standing on her own two feet. Born and raised in Charleston, she had been an unknowing pawn in a game of deceit from her father and boyfriend. Now she was beginning her own life that had no room for a man, especially not one as devastatingly handsome as Beaux Chauvin. But life has its own plans for both of them as they embark on a journey of love, lies and hidden family secrets. As they face unseen dangers, they lean on each other falling more in love. They learn that life may not always be beautiful, but love will see them through.
