

The Billionaire Boyfriend Dilemma: A Kavanagh Family Novel

Becky Denny's life is carefree and untroubled. The only blip is her sisters fretting over her husband's family. Becky knows the Kavanagh clan have had their problems, but the only thing standing in the way of a happy family reunion is the absence of the youngest brother, Damon. After getting out of jail, he hasn't wanted anything to do with them, and that's putting them all on edge. So she decides to do something about it. It's been a long time since Becky's seen Damon. He's changed. Always a little wild, he now has a rougher, harder edge. He challenges her in ways she didn't expect, and sets her skin on fire with his touch. Before she realizes it, she's falling in love with the darkest, most secretive Kavanagh. When Damon the demon Kavanagh gets out of jail, he wants nothing to do with his family. That is, until Becky Denny comes along and gets him agreeing to do something he vowed not to see his parents again. Falling head over heels in love with a grown-up Becky has got him reassessing his life and his values, and given him hope. Until it all unravels in one morning, with one phone call that leaves him shattered.
