

The Billionaires Defiant Acquisition (Wedlocked!)

A very seductive kind of deal Conall Devlin is a ruthless man ready to achieve ultimate success. So, to acquire the missing piece to his property portfolio, he's willing to accept an unusual term of the contract: taming his clients wayward daughter! Party girl Amber Carter appears to live a life of luxurious frivolity, but deep down she feels lost and alone in her material world. Until one morning her new landlord turns up, every inch of him pinstriped-clad perfection, offering her an ultimatum: either Amber is thrown out onto the streets or she accepts her first ever job: being at his beck and call day and night. Conveniently wedded, passionately bedded!
