

The Billionaires Ink Mistress

His desire for her pierces deeper than skin. Billionaires in Bondage, Book 2 The Lawyer Jackson Montgomery Warring never lets opposing counsel see him sweat. Juggling a dozen billionaire clients on a daily basis, hes always perfectly prepared, calm, cool and collected. Until he meets his best friends fiancée, the luscious Mistress L. Now he wants a Mistress for himself. Badly. Except the one whos caught his eye is his complete opposite-a Goth-booted, tatted and pierced priestess of the local tattoo scene. The Inker For over a year, Diana Temple has been too busy at her up-and-coming tattoo shop to throw one of her legendary BDSM parties. But for Jackson, shell make the time, especially since the slick, fancy lawyer admits he likes to watch. The Secret If she thought her edgy style might turn him off, shes happy to discover shes wrong. But when she learns his secret addiction, she might refuse to teach him a thing or two about submission. Or maybe shell just punish him harder... Warning: A rich, successful attorney in a downward spiral, a tattoo artist who happens to be a Mistress, a secret addiction and a peek at exhibitionism/voyeurism.
