Sometimes, temptation is the most dangerous threat... Hes a billionaire with a past he refuses to acknowledge. Shes an ordinary girl with a past she cant forget. Together they must face the truth to save their lives... The daughter of an unsolved murder victim, Kylie Graham is fascinated with cold case files. During her law firm internship, Kylie approaches Cade Soren about his fathers death, believing it to be a murder. Though dismissed by the playboy, that doesnt stop Kylie from being both intensely attracted to him and pursuing the trail of his fathers killer. Cade Soren doesnt want to dredge up the past. But he has no choice except to face the truth when another murder occurs and he suspects the naive but beautiful Kylie is in danger. Determined to protect her, Cade hides Kylie on his private yacht where their passion overrides fear. But with the past still haunting them both and a murderer still on the loose, Kylie and Cade must face the truth together or risk losing their love and their lives.
