

The Billionaires Secret Heart (Scandals of the Bad Boy Billionaires) (Volume 1)

Josephine It was the worst blind date in the history of the universe until Holden Winters swept in and rescued me. Are you kidding? Holden Winters? A scion of the notorious Winters family, Holden is gorgeous, wealthy, and brilliant. He dates socialites and pop stars, not computer science grad students more comfortable in a hoodie than couture. Our night together was a fantasy and a huge mistake. Holden I dont usually steal other guys dates. I dont have to. A look is all it takes, and the women fall over themselves to get to me. Then I saw Josephine, sitting with her dweeb of a date, just waiting for a man who could appreciate her lush curves and sharp brain. When she ghosted on me, I shouldnt have been so shocked, but women never walk away from me. Josephine thought she could call the shots - she didnt realize that a Winters man always gets what he wants. And I wanted her. The Billionaires Secret Heart is a standalone romance with a happy ending. Its the first in the Scandals of the Bad Boy Billionaires series, and introduces the notorious men of the Winters family. You can read it on its own, but you might want to read the others once you get a taste of the Winters men ;}
