

## Alpha Billionaire

It was only meant to be one night. Evie Johnson was doing her best friend a favor when she agreed to work a bachelor party as a dancer. She hadn't expected to meet a man like Grant Slate. A man so handsome and cocky that she couldn't help but be attracted to him when he asked for a dance.

And when he asked her for a private dance, she didn't want to say yes, but she couldn't stop herself. Before she knew it, she was being whisked off to his private mansion and entering his home for one night of passion. Only Evie had no idea what she was getting herself into. Grant Slate was not the man he'd appeared to be at the club. He wanted more from her than one night of passion. He was a man with secrets so deep and dark that Evie was unsure just what she was going to do.
