

Becoming James Black: James Black Book 2

A boy with nothing, but who was never invisible. A girl whose beauty was her greatest curse. Two people brought together by circumstance who have nothing left to lose and everything to gain. When who you are is based on where you come from, you make your own rules. When having a future means you have to escape the past, you do what's necessary to survive. When you've only known lies and manipulation, sometimes the only option available is becoming...Someone else.
