

The Blue Hallelujah: A Novel of Suspense

An exceptional situation. A heroic sacrifice. An unforgettable story. Detective Jerry Strickland and his wife Rebecca shared a secret calling. When Rebecca died of cancer in prison branded as a disturbed vigilante after killing one of his murder suspects Jerry knew he needed to put the truth in writing to set the record straight. Now, as an old man nearing his own demise, Jerry is unsure whether to share his narrative about Rebecca with the world. But when his eight-year-old granddaughter Marnee disappears, Jerry learns she's been taken by someone close to the killer depicted in the pages hidden in his dresser drawer. It's time for Jerry to finish the story by confronting an evil that threatens Marnee's life and the lives of everyone around her. And by placing his faith in a higher power to redeem the love for Rebecca in his heart. What others are saying: Best novel of mystery and suspense I have read in a long time. Andy Straka comes right at your heart with this writing. There is no letting go until you finish the Epilogue. -- David Syrett - 5 Star review I highly recommend The Blue Hallelujah by Andy Straka. This book is much more than a standard crime/mystery novel. Its pages (if pages really exist anymore) explore issues of life, death and the nature of evil while masterfully presenting a highly suspenseful story as told by a not-long-for-this-world greatest generation narrator. I entered this book concerned that it would be standard fare, a smart cop chasing evil villain, but was then delighted to find a highly original work of fiction that deserves a five-star rating and a spot on your real or virtual bookshelf. -- Wright Forbucks - 5 star review Wow. This book is absolutely stunning! Even this old non-believer was moved by the spiritual aspects of it. I've read most of Mr. Straka's Kindle books and they are all quite excellent, but this one is the most excellent of them all. Too many superlatives? I don't

think so. -- Arthur L. Hellyer - 5 star review More Praise for Andy Straka: When it comes to a brisk page-turner (Kirkus) and characters you feel in your bones (Julia Spencer Fleming), count on talented author (Publishers Weekly) Andy Straka. One of rising stars of the mystery genre. --#1 NY Times bestselling author Rick Riordan
