

Bluegrass Obsession (The Bluegrass Billionaire Trilogy Book 2)

Although a handsome and respected psychologist, Worth is unable to free himself from the curse of his fathers past. Nor can his beautiful wife, Auggie. Her mothers deceit spawned the devil incarnate. A brother who rises from the depths of hell to haunt them with hatred and retribution. Evil and manipulative, Linc doesnt care who he hurts to get what he wants and must be stopped before he goes too far. Can Worth and Auggie fight him and rise above it all, finding salvation in each other? More importantly, can they protect their family from the legacy of inherited evil? Bluegrass Obsession is a standalone novel, the second in the sizzling Bluegrass Billionaire Trilogy by Alice Ward and Jessica Blake. While it can be read alone, it is recommended that you first read Bluegrass Seduction, the first book in the Trilogy, in order to understand the plot better.
