

## Embrace (The Embrace Series)

Madison is familiar enough with change, and she hates everything about it. Change took her long-term boyfriend away from her. It caused one of her friends to suddenly hate her. Its responsible for the death of a local along with a host of other mysterious happenings. But when Madison meets a hot new guy, she thinks her luck is about to improve. Madison is instantly drawn to the handsome and intriguing Isaac Addington. She quickly realizes hes a guy harboring a secret, but shes willing to risk the unknown to be with him. Her world really spins out of control, however, when her best friend becomes delusional, seeing things that arent there and desperately trying to escape their evil. When the doctors cant find the answers, Madison seeks her own. Nothing can prepare her for what she is about to discover. Dangerous, intoxicating, and darkly romantic, Embrace is a thriller that will leave you spellbound.
