

The Brightest Flame in Ballymuir (Ballymuir Series)

From New York Times Bestselling Author Dorien Kelly: When Irish artist Vi Kilbride travels from her village of Ballymuir to prepare her beloved late grandmothers cottage in Duncarraig for sale, more than memories of the summers shed spent growing up there await her. Long-ago love Liam Rafferty is back in town. Vi, who has kept her heart to herself since having it broken by Liam, finds herself drawn to him all over again. Time has spun back to that passionate summer when theyd first loved for Liam, too. But Vi and Liam are soon at odds. Liam has begun a search for Raffertys Gold, a legendary treasure allegedly hidden by one of Vis ancestors after her heart had been broken by a faithless Rafferty. Liam, with his high-tech search equipment, might think the ancient gold is his to do with as he pleases. But Vi, with only her often stubborn second sight and her grandmothers journals to guide her, knows the gold belongs in a museum. Will these two passionate treasure-seekers find a legendary love to go with the gold, or is their past too strong to conquer? Praise for the Ballymuir series: Smartly written, the characters are entertaining.... Kelly is an author who delivers first-rate reads. The Oakland Press The quirky folks who populate Ballymuir create a funny, affectionately drawn world to which readers will eagerly return. Publishers Weekly
