But he informs her that the National Security Agency prohibits him from telling her anything. Despite the secrecy surrounding Tom and the NSA, Callie decides to find out for herself exactly what is going on and how Tom may have been involved in her husband's death. Using her investigative skills, Callie throws herself into the most important mystery she has ever attempted to solve. Will their affection be able to stand the strain? And what was God's plan in bringing Tom and Callie together—marriage or merely answers for her questions about Bryan's death?
