

## Love Is A Witch (Kitty Coven Series Book 2)

Werecats and Witchcraft, A Pagan Romance Rachel grew up on a small farm on the edge of Aspire. She has always loved animals, but doesn't feel like there is a place for pets in her new apartment. Besides, she's too busy trying to keep her brother Matt from making one of the biggest mistakes of his life. Her life suddenly becomes very complicated when an ultra sexy billionaire inserts himself into her world in the worst way possible; by attempting to purchase and destroy her childhood home. At the same time, she finds herself playing host to a sleek tomcat with attitude. Although she's a new student of witchcraft, she's a longtime believer in magic. But she wasn't prepared to discover that the sexy beast of a man she abhors might actually be a werecat shifter. This is the second book in a pagan romance series involving werecat shifters and witches. There are some suggestive situations and shapeshifter nudity, but these stories are safe for most mature teens and young adult readers.
