

The Claiming of Sleeping Beauty: A Novel (Sleeping Beauty Trilogy Book 1)

Before E.L. James Fifty Shades of Grey and Sylvia Days Bared to You, there was Anne Rices New York Times best seller The Claiming of Sleeping Beauty In the traditional folktale of Sleeping Beauty, the spell cast upon the lovely young princess and everyone in her castle can only be broken by the kiss of a Prince. It is an ancient story, one that originally emerged from and still deeply disturbs the minds unconscious. In the first book of the trilogy, Anne Rice (author of Beautys Kingdom), writing as A.N. Roquelaure, retells the Beauty story and probes the unspoken implications of this lush, suggestive tale by exploring its undeniable connection to sexual desire. Here the Prince awakens Beauty, not with a kiss, but with sexual initiation. His reward for ending the hundred years of enchantment is Beautys complete and total enslavement to him ... as Anne Rice explores the world of erotic yearning and fantasy in a classic that becomes, with her skillful pen, a compelling experience. Readers of Fifty Shades of Grey will indulge in Rices deft storytelling and imaginative eroticism, a sure-to-be classic for years to come.Praise for The Claiming of Sleeping Beauty:Articulate, baroque, and fashionably pornographic.
