This bundle contains all three books in the Clarity series at a discounted price: Clarity Clarity 2 Clarity 3 Synopsis: Fiercely independent Helen Winters was born completely blind, but she vowed never to let her disability keep her down. She did not expect a traumatic event to devastate her life and force her to drop out of college. Disillusioned by the cruelty of people, Helen retreated from society to live by herself as a reclusive writer in the woods--where no one could ever hurt her again. When a brilliant young doctor shows up on her doorstep, promising her that his new research can give her the ability to see for the first time, Helen stubbornly refuses. She has learned not to trust anyone, and to rely only on herself. But Dr. Liam Larson will not take no for an answer. He makes it his personal mission to rescue Helen from her loneliness, and bring joy into her world once more--the joy she has denied herself for so long. When Helen's demons come racing back into her life, threatening to rip her apart and destroy the strength she has carefully rebuilt, Liam is the only one who might be able to save her. Can he reach the broken girl in time, helping her to heal and see the world in a different light? Or will Helen's grief send her spiraling out of control, lost to him forever? Clarity 2: Helen Winters was living a lonely existence when the charming Dr. Liam Larson coaxed her out of solitude with the promise of healing her sightless eyes. She was hopeful at the prospect of gaining vision for the first time and being reunited with her family. She was also growing somewhat fond of the persuasive young doctor. For the first time in years, she was being magnetically drawn to a new friend... Then everything came crashing down. Plunged into a hellish nightmare, Helen is forced to face the same evils she ran away to escape so long ago. She is unprepared to have her hopes crushed and her peace destroyed. She finds herself living in constant terror and

drowning in fear--and Liams voice is the only thing that can keep her afloat. His comforting touch becomes the only light in her pitch-black darkness. Helen has always been a tough girl who relied only on herself. But this time, she cant survive alone. Due to the horrors of her past, Helen has promised herself not to trust anyone. When her life becomes unbearable, how can she trust Liam enough to let him save her?Clarity 3:After many years of darkness, Winter never thought that shed be happy or safe again. Her whole world changed when she met Liam Larson, a charming young doctor determined to be her knight in shining armor. When a brutal night unleashes vicious reminders of her past, Winter must struggle to hold on to the little bit of happiness she has found.When everything begins to fall apart, Liams strength and kindness might not be enough to save her. Battling with the betrayal of her family, terrifying nightmares, and frequent reminders of her enemy that make daily life difficult, Winters first instinct is to run away. She is tired of being the victim and living in a cruel, crowded city where she doesnt feel like she belongs.But Liam promises her that if she only trusts him, he can change everything. And thats exactly what he attempts to do, starting with an operation to heal her eyes, and then her heart...
