

Heat: Club Inferno

USA TODAY BESTSELLER Style and seduction collide as the world's best-dressed men and women shed their clothing ... and their inhibitions. On the run from her abusive fiancé, ER doctor Mallory Bryant arrives at her sister's Connecticut resort desperate for a place to restore balance to her life. But Club Inferno is more than a haven for the rich and fashionable. Beneath its elegant facade, dominants and submissives play out their fantasies. At first, Mallory is wary of Max Spencer, the martial arts trainer acting as her bodyguard until he introduces her to passion so intense she wants nothing more than to surrender to his touch. As one of Club Inferno's most skilled domms, Max enjoys taking Mallory to the limits of pleasure. It's a dangerous proposition, and as their sensual games draw them into a relationship beyond the boundaries of pupil and master, Max starts spiraling out of control. But when Mallory's violent past catches up with her, Max knows what he must do: draw her closer than ever before, even if it means risking a surrender of his own. Heat is intended for mature audiences. Praise for Heat Club Inferno is deliciously sexy, and Max is a Dom to love.
