

The Cold Moon: Mitchells Novella (The Parker Harris Series Book 4)

This is a story told from Mitchells point of view. This is Book 3.5 in The Parker Harris Series. This novella is broken into three parts: The Change: In this portion we will learn what events happened leading to Mitchells change into a vampire and how he dealt with it. Lupita and Fangs: The story of how their friendship blossomed into something more. What Happens Next: The lead in to the spin-off series, The Crispin Sinclair Chronicles. Well learn what happened to the fab four after The Dark Moon ended. Well also meet a new character who will be pivotal to Crispins story.
