

DUDE: Book 1: Cal (The Reynolds Brothers)

What happens when a curvy city girl heads to a Western dude ranch for her long-lost mothers wedding? She gets stranded on an oppressively hot Texas back road. Thrown from a horse and injured in the fall. Humiliated in front of a room filled with wedding guests. Not exactly the string of events Skylar Warwick expected when she arrived at Longhorn Dude Ranch for her mothers nuptials to the owner. And she sure as hell never expected to follow in her mothers footsteps and fall for a tall, handsome cowboy. Yet it all happened, and her smoking hot stepbrother-to-be Cal Reynolds was smack in the middle of all of it. Cal Reynolds makes his first mistake when he doesnt reveal his true identity after he rescues the curvaceous blonde with a broken down car. He fails again when he pulls her out of a ditch, and his well-meaning advice is interpreted as possessiveness. He gets one more chance with Skylar at the big event. Will he strike out or hit a home run with his sexy, but accident-prone, new stepsister? This is the first book in a new Western Romance series from USA TODAY bestselling author Gillian Cherry. Each book is a standalone story with a happy ending. For adult readers 18+.
