

Christmas at the Cove

When Millie Venning escapes to her aunts cottage on the windswept Devon coast for Christmas, she isn't looking for romance. So when she finds a handsome stranger already at the cottage, she's baffled. Has her aunt double-booked the cottage by mistake or is she up to her match-making tricks once again? Christmas at the Cove is a warm-hearted audiobook by the best-selling author of A Weekend with Mr Darcy and Wish You Were Here.
