

The Cowbears Curvy Christmas: Christmas Paranormal Romance (Curvy Bear Ranch Book 2)

Jilted bride Madison Collins needs a peaceful place to hide out from a disastrous pre-wedding scandal. After a drunken night in the arms of a sexy cowboy, she has a hangover and is unprepared for a job interview at the Curvy Bear Ranch. The moment she arrives at the remote Montana ranch, she knows she's in a heap of trouble. Its rugged owner, Mack Grant, is the cowboy who turned her into a quivering, moaning wild-woman the previous night. Mack knows it's forbidden to go near the new hire, but he can't stop thinking about her curvaceous body and the way she melted in his arms. When she nearly burns down the B&B, his attraction to her is the only thing that keeps him from firing her. But when her ex-fiance shows up intent on hurting her, Mack can't contain his bear. With his thousand-pound secret out in the open, will Madison be able to see past all that fur and into his heart? With the magic of Christmas on his side, Mack will do whatever it takes to claim his fated mate. This is the second book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with no cliffhangers. Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
