

The Cowbears Summer of Love: A Werebear Paranormal Romance (Curvy Bear Ranch Book 7)

In a decade defined by Flower Power, social unrest, and the Vietnam War, two unlikely lovers form an everlasting love. This is the story of the Grant brothers parents... Daisy will do anything to save her brother from the war, so she devises a plan to smuggle him into Canada. Everything's groovy until their VW bus breaks down leaving them stranded. As if things couldn't get any worse, they find themselves at the business end of a shotgun, and the cowboy pointing it is the sexiest man she's ever seen. She can't stop staring at his washboard abs and ripped chest. Greg is stunned by the hippie girl's curvy body, flowing golden hair, and bright blue eyes. As much as he wants to kick her off his property, he can't. With his brothers off fighting in Nam, they need a few extra hands around the ranch. As long as his old man doesn't find out he's harboring a draft dodger, everything will be copacetic. But as the summer of '69 heats up, Greg must find a way to convince his fated mate that she belongs in his arms forever. This is the seventh book in the paranormal bear romance series - Curvy Bear Ranch. This is a stand-alone book with NO CLIFFHANGERS. Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
