

The Deadly Art Affair (Cozy Mystery) (Daisy McDare Cozy Creek Mystery Book 1)

Daisy McDare wants nothing more than to find the man of her dreams and build a thriving interior decorator business. Instead she finds herself heartbroken and in the middle of a murder investigation. Daisy is in the middle of a decorating job at a famed local celebrities mansion when the arrogant painter is found murdered in his backyard studio. Suddenly there's a house full of suspects, each with a bigger reason to want the victim dead than the next. When the local police get stumped during their investigation, Daisy realizes she'll have to take matters into her own hands. But she can't crack the case alone. She recruits her cupcake-baking best friend Samantha, wise-cracking Granny Annie, and her feisty West Highland Terrier Shamus to find the killer.
