

## The Husband Beside Me (Devil Trilogy Book 2)

Edited by Hot Tree Editing \*\*\*\*\*This book is the second in the series and includes a cliffhanger ending\*\*\*\*\* Im getting married to him. Im marrying the man I despise, the man that as much as I try not to be, Im drawn to; lost in his power over me, lost in this indescribable feeling, that is between us. Now Ill have to be with him, in his home, in his world as his wife. Addie has dived into the world of Daimon Evans, becoming his wife in every aspect, safe one. Can Addie fight the bond they are now creating? Or will Addie give into the devil she calls Daimon? Daimon has his demons that lurk behind his calm and ruthless veneer, what will Addie do when she finally sees them for herself? Note from the Author: This is a dysfunctional love and hate trilogy that involves emotional blackmail and a few other situations that the one wouldnt do to the person they liked or loved. Addie and Daimon do what they do under the guise of a love that hurts so good. Happy Reading. Part of the proceeds of this book will go to <http://www.ccfa.org> <http://www.crohnsandcolitis.ca>
