

## All I Need (A Dark Romance Novel)

**\*\*Warning, this book is dark, graphic, and twisted at times. Recommended for mature readers.\*\*** My life was hell, nothing but pain and darkness. Every night I hoped I'd lay down to sleep and never wake up. I saw no reason to keep going. There was nothing for me, no promise of a better life. Every morning I woke up hoping this would be my last day. Then I met her, and everything changed. Sold into slavery at a young age, Jackson Porter has known nothing but darkness until he is forced to kidnap a young woman with a fiery spirit who refuses to give up. Could she be all Jackson needs to awaken his dead soul? You met Jackson in Stay, now its time to hear his story. **\*\*A note from the author:** ALL I NEED is a companion novel to STAY, told through Jackson's point of view. It starts years before STAY and ends months after. It is not just STAY retold through another POV. While it can be read as a standalone, I recommend reading STAY first for a better reading experience. You can get STAY here: <http://amzn.com/B00KGHZCVE>
