

Pleasing Her: Peter in the Nursery (Unconventional Marriages Book 3)

Set in the Victorian era, this is a stand alone book in the Unconventional Marriages series. Welcome to Peter Wessex's world: university graduate, military drop-out and second son of a noble British family. Fearing for his unfocused son's future, Peter's father puts him in the hands of the extremely dominant Lord Kenwood, who promises to make a man out of the lad. When Peter enters Darmley Palace, he enters a world he could not have imagined where he is subject to Lord Kenwood's rules and discipline. Lord Kenwood is an expert at domestic discipline, it's how he keeps his child bride Cressida in line, whom he keeps as a little girl at the top of the stairs in the nursery. Peter's heart is quickly captured and held in thrall by Lord Kenwood's exquisite daughter, Regina. She brings Peter to heel with her magnificent bosom, her riding crop and a fetching pair of black leather high-heeled boots. When it becomes apparent that Peter is indeed going to inherit and become the next Duke of Ashton, Lord Kenwood and Regina step up Peter's training in earnest. Peter learns that he is more than ready to inherit as long as he continues to be taken in hand by Regina and her father, even if it means spending time in his sister's nursery.
