

Her Devilish Marquess (Marriage by Arrangement) (Volume 2)

Helena, Melissa, and Chloe are still arranging marriages, but not all will go smoothly on the way to a happily ever after

Dr. Derek Westward has been happy living his life doing everything possible to upset the Ton. Second to his occupation, its one of his favorite pastimes. Then his brother dies, and the worst thing imaginable happens. He inherits the title of a marquess. Now he has to secure the future of his familys estate with an heir, and worse, hes expected to be on his best behavior, something hes been unable to do since childhood. Miss Danette Everson has given up on ever marrying. At twenty-five, shes resigned herself to spinsterhood, until her friend decides shed be better off married. Before she knows it, shes a bride. But her new husband isnt the reputable gentleman she was hoping for. No, hes got a horrible tendency to scandalize the Ton at every opportunity that presents itself. Surely, a pair couldnt be more mismatched. Whatever were the three matchmaking ladies thinking when they arranged for her to marry the most devilish marquess in all of London?
